Ride Solutions is now accepting applications for the [Bike Shorts Film Festival](#). DL September 16th, 2019.

This is not a film festival about trail rides or scenic bike tours in exotic locales. This is a film festival about stories that just happen to include bicycles - thrilling heists with narrow escapes by bike, small sci-fi tales of riding bikes in a gas-less apocalypse, and family stories of siblings coming together over a bike ride. Just as bicycles are practical tools to help us get from place to place each day, the Bike Shorts Film Festival focus on stories where bicycles are used in the service of storytelling.

[Average Art](#) is an industry focused art magazine. Our goal is to draw attention to self representing artists. They are now taking entries for the July edition **DL June 22, 2019** Send them a large digital image of your work and any information you think is relevant. Any text needs to be kept brief as we get hundreds of submissions.
