

Quickstart Guide

Step 1: Access E-CImpact

The URL is: <https://agency.e-cimpact.com/login.aspx?org=50460F>

Step 2: Log In

username: First initial of first name + last name ex: Elvis Presley = **epresley**

password: If you are a new user or you have not logged into E-CImpact since April 2020, your password is **pwd123**

If you are a continuing user your password has not changed.

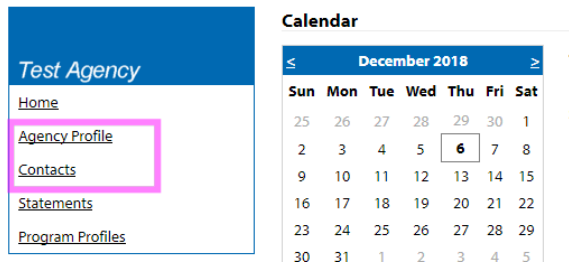

Step 3: Change Password

After you log in, you will be prompted to change your password.

Step 4: Review Agency Profile

Click on **Agency Profile** to review your agency's information and make any changes.

Click on **Contacts** to review your agency's contacts and make any changes.

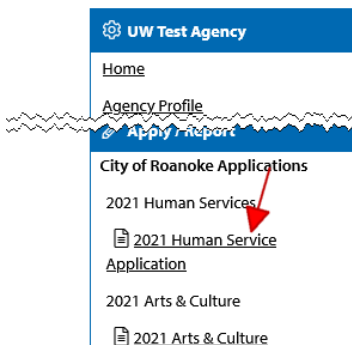

Step 5: Get Started

You may review last year's application by clicking on **Historical Processes**

There you will see last year's application. You can view or print the application.

To get started on your current year application, click on the current application showing on the left-hand side of your screen. This will take you to the main screen that lists each portion of the application that you need to complete.
