# GOING SOLAR WITH SOLARIZE

## WHAT TO EXPECT

### 1 SIGN UP

Interested in solar, but not sure where to start? Fill out our interest form at [SolarizeVA.org](https://SolarizeVA.org)! Once you sign up, you will have a Solarize team member by your side throughout the process to answer any questions.

---

### 2 SOLAR ASSESSMENT

Within 3-5 days, we will do a FREE satellite assessment and let you know if your home is a good fit for solar. If it is, we'll ask for a copy of your electric bill to see if solar makes sense based on your energy usage.

---

### 3 CONNECT WITH VETTED SOLAR INSTALLER

We'll connect you with our pre-vetted, selected campaign installer. They will contact you within 48 hours to get started.

---

### 4 ON-SITE INSPECTION + PROPOSAL

The installer will evaluate your property send you a proposal tailored to your home. If the proposal and price work for you, it is time to sign the contract!

---

### 5 INSTALLATION

The installer will obtain all necessary permits, materials, and equipment, and will get started. It generally takes 3-4 months from contract signature to completed installation.

### 6 ENJOY THE SAVINGS AND CLEAN ENERGY!

Tell your neighbors how they can join you in going solar and propelling the clean energy movement in your community!
