Application Filled Out Completely

Certification required by 32-103.23(2) that the building exceeds the energy-efficiency standards.

Certification that the design professional or contractor has the qualifications to provide the energy-efficiency certification attached.

Section 32-103.24 (a) requires that this application be filed with the Department of Planning, Building, and Development and then it is sent to the Assessing Officer in the Department of Real Estate Valuation after it is approved. The Special Tax Rate determined by the ordinance as provided in this division shall be effective beginning the first day of the tax year next succeeding the certification of the Department of Planning, Building and Development and shall remain in effect for such tax year and the following four (4) years.

I hereby request partial exemption in the form of a reduced tax rate for Exceeding the Energy-Efficiency Standards as provided by Sections 32-103.20 through 32-103.27, Code of the City of Roanoke. By initialling and submitting this application, I certify that all information contained in this application is, to the best of my knowledge, correct.
